THE PIPELINE NEWSBYTES

WEEKLY UPDATE

SEPTEMBER 9, 2011

## ADVERTISING OPPORTUNITIES

The combined YCCA and 5 member participation 2-page adverting spread in the August/Sept issue of Prescott Woman looks awesome. We would like to run this same layout in the Oct/Nov issue, so if anyone is interested please let me know. The member price is \$275 and we can expand for additional YCCA member representation. If you have not seen the ad, I will be happy to send you a copy. Please let me know if you have additional questions. Deadline for commitment is Friday, September 16th.

Don't forget our flyer insert opportunity. The cost is \$50 for mailing 500 flyers—you just need to bring in the flyers we stuff, stamp & mail—now

how cool is that! Mailings go to all Prescott Chamber relocation inquiries, all closings in Yavapai County for homes & vacant land. I have another large mailing going out over the next week. YCCA loves sending your name out to the community.

Our Hammer Time radio program is wonderful and we are so enjoying outlining programs and talking with our members. As we say on the program, YCCA is the organization with the people in the know! Our sponsors receive two 30 second commercials during the show, along with individual name recognition as sponsors. The show airs on Saturday & Sunday morning and additionally, our sponsors are highlighted in a 12-15

minute segment where they talk about their company, etc. All of our shows involve our members depending on what the topic is. Would love to hear from you if you have any ideas for a program—always open to suggestions. We have currently 4 open sponsorship slots.

Also, if you have any ideas for our radio show, I would love to hear from you.

Our show on Saturday features EW from B&W Fire Sprinkler and Rowle Simmons from The Alarm Connection. You can tune in Saturday & Sunday mornings 7:00 am on 99.9 fm or 1130 am or you can stream on line [www.kqna.com](http://www.kqna.com) Listen to us and let me hear from you.

## RFQ For Accommodation School

I attended the pre-submittal conference yesterday for the new Accommodation School. This will be a CMAR project. I have attached the RFQ for your review and in order to receive all Addendums and information, YOU MUST SEND YOUR e-mail information to Sharon Green. Her info is on page 1 of the RFQ. In addition, I will be receiving a

list of all generals and subs that attended the meeting. It is imperative that we do what we can to keep this project local. I will be sending out information to the out-of-area generals and if you want to be included in that mailing, please supply me with a bio and or information on your company and I will include this in the package. There were over 7

out-of-area generals at this meeting—only 3 YCCA member generals, Haley Construction, N.L. Booth and Concord Construction. Congratulations to our very own Michael Taylor, who was awarded the project for design.

**WELCOME TO OUR  
NEW MEMBERS**

Paving & Grading and  
Steve Walker,  
Executive Director for  
College Development  
Yavapai College*

# Educational Programs

There will be a City of Prescott and YCCA and SW WASTE Co-sponsored contractor "FREE" lunch on **September 28st**. Topics will be the new mandatory ADA revised code, the 2012 building code, change in the insulation inspection process and new wall inspection process. If it is a mass graded project, public works will be performing the inspection, if the walls are on a home site, the City of Prescott will perform the inspection. The lunch will be held at City

Hall in Council Chambers. See flyer attached with information

FANN Contracting will be offering open registration for the below listed classes. If anyone is interested please call Kerri Vaughn at Fann 778-0170

Sat Oct 1st & Oct 8th 7am-12 noon OSHA 10 HOUR—flyer attached.

# YCCA SCHOLARSHIP

The Board of Directors of YCCA is pleased to announce we are setting up scholarships at Yavapai College for students to attend Construction Technology classes. This program will be ready to roll out with the Spring 2012 Semester, which will start in January of 2012.

Watch for more information. YCCA will be working with

the Yavapai College Foundation on the criteria of the scholarship gifts. If any of you have comments and or suggestions we are open to your participation.

In addition, I attended the AZ Section of the American Welding Society meeting and they also have scholarships and the welding industry is seeking

students that can advance on to career positions immediately. This field is growing and is in need of welders, students, inspectors and teachers. If anyone has questions you can contact Brent Boling, (928) 925-7359.

# ADVERTISING

Our radio member spotlight program is airing and a big thank you to our members: Luna Plumbing, Carpet One, Timberline Woodworks, Central Basin Roofing, Southface Solar, Eric & Sons and B&L Flooring America for participating in this new spotlight radio venture. I have heard

the commercials many times and they sound great. You all did a terrific job! This is a 3 month advertising program August-October. If anyone is interested in jumping on board for November-January, give me a call. The cost is \$150 per month & you will receive 85 commercials per month on

KPPV/KQNA & KDDL—a mix through these stations. Your commercial segment is 20 seconds & will tag on to an intro by YCCA. This available program has been on going for 2.5 years now & is an inexpensive way to put your company name in the media. If you are interested in grabbing on to this program please let me know .

**You don't have to wear a sandwich board when YCCA has great advertising opportunities 4U**

# DATES TO SAVE & OTHER INFO

Habitat For Humanity is holding their golf tournament at Talking Rock on September 30, 2011. The registration form is attached.

In July 2011, 14 million dollars in permits were issued for Yavapai County. This is a great sign and things are on the up swing.

Ken Foot, owner of Footworks Auto Tag & Licensing has graciously agreed to continue to licensing, tag, transfer discounts for YCCA members. Ken called the other day to let us know that throughout the past year, his agency has given over

\$1,000 plus in discounts to our members and he is thankful for our support and will continue to honor discounts for YCCA.

United Subcontractors and their branches Mesa Insulation and Preston Insulation will be bringing leading experts in the spray foam insulation industry to Arizona Building Officials 2011 conference at the Prescott Resort October 3-7, 2011. This conference draws building officials and inspectors from all over the Arizona area to inform them and educate them on the

latest code and requirement changes along with new building design and practices. On October 6th there will be a class on all aspects of the spray foam industry. The goal of this class is to have municipalities adopt the use of foam at industry recommended thickness for our area which is 5.5" under roof deck and 3.5" in wall cavities which is a R21 and R13.

TYVEK is holding a special training on Wed 9-28-2011 on being a certified installer. The flyer is attached.

Blue Stake Seminar Sept 22nd at Stoneridge Golf Club—6:00 pm. This is a Prescott Damage Prevention Seminar—see flyer attached.

Able & Ready is having a Grand Opening on Sept 20th at their new showroom 7245 E. 2nd Street Prescott Valley 11:00-3:00 All YCCA members are invited—hot dogs & good eats!

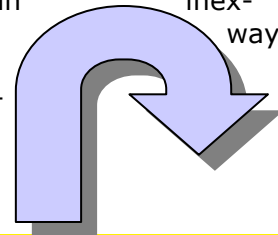

## MISCELLANEOUS

Hey, don't forget to call me and reserve your home show booth for our 2012 show. To reserve the booth, there will be a payment required and we are working on our new contract.

Take a look below at our banner advertising that appears below the YCCA ASK THE CONTRACTOR COLUMN

every Friday in the Courier. The Plumbing Store had the Banner location for July, JAGR had the banner location for August, Able & Ready has the banner location for Sept and Badger Roofing signed up for October and Century Painting has reserved the banner for November. The cost is \$45 per week so if anyone is in-

Participate, let me know. These banner ads look so great below our Ask The Contractor column. These banner ads are generating a lot of interest and they are an inexpensive way to receive name recognition.

SUNDOGS HOCKEY IS STARTING. YCCA has 2 tickets available in the YCCA suite for the season, the price is \$25 per game or \$2,250 for the season. Call me if you want individual suite tickets or if you are interested in the entire season. The normal cost for the 2 suite tickets would be \$4,290.

YCCA also has 200 hockey tickets for the season. If anyone would like general admission tickets for your family and/or company, please let me know so we can reserve these for you—any game no limit on the number of seats—price is \$10 per ticket.

The Hockey Schedule is attached so you can plan ahead. Tickets need to be paid for upon game reservation.

The YCCA web site is receiving 5000+ hits per month. I have created additional member advertising spots should you like to be on a page and/or pages(s) linking to your individual web sites. If you visit the YCCA.org web site you will see the open spots. The cost is \$50 per year per spot. Please let me know.

## MISCELLANEOUS INFORMATION

Don't forget about our SCF Safety Association. We can save you money on your policy premiums and reward you for safe work habits through a dividend program. And... don't forget we have many safety cards and brochures for your use—FREE. You can use these at your tailgate meetings and payroll stuffers. As business owners it is important that you do your part for SAFETY!

\*\*\*\*\*

YCCA is thinking of holding another LEAD Certification class, if you are interested, please let me know.

\*\*\*\*\*

YCCA, Prescott Chamber and the Prescott Valley Chamber are co-sponsoring a safety program on Tuesday Morning, October 25th. The flyer is attached. Please. This is going to be a great seminar so I look forward to seeing all of my YCCA members there! :)

Daily tasks can lead to devastating injuries. Don't get hurt at work! Older workers are the fastest-growing segment of the employed population and now they're also injured more often. When older workers get hurt, they face added hurdles, it takes them longer to return to work once they recover, and their injuries are more

severe. So is your workplace a hazard? Watch for problems such as unsecured cords and objects. Clean up spills and wear sturdy shoes and other appropriate attire.

\*\*\*\*\*

For Sale: A Honeywell HW7000EH 7000W portable generator. See specs attached. If you are interested, please call Greg Sober at 776-7587.

\*\*\*\*\*

The Power of A Smile - Mona Lisa's coy smirk is not the only smile worth a fortune. A megawatt grin from someone can produce the same brain waves as learning you won \$40,000. People who smile the most live an

extra 7 years on average!
